

LEED CERTIFICATION: TECHNICAL STATEMENT

This document verifies that **BIM 200™ Cleaner and Degreaser is a Green Cleaning Product**, and can help earn one LEED point in *any* of the LEED rating systems. Below is a list of the applicable rating systems, as well as the names and values of the credits for which this product complies.

Rating System	Credit Name	Points
Existing Buildings	EQp3: Green Cleaning Policy	Required
Existing Buildings	EQc3.3: Purchase of Sustainable Cleaning Products and Materials	1
All Other Projects	IDc1.1: Innovation in Design: Green Cleaning Program	1

- Indoor Environmental Quality Prerequisite 3 ("EQp3") Green Cleaning Policy requires facilities managers to develop an environmentally friendly janitorial program, which includes specifying products that are EcoLogo Certified. BIM 200 Cleaner and Degreaser is EcoLogo Certified (*Certificate #: SL10017*).
- Indoor Environmental Quality Credit 3.3 ("EQc3.3") Purchase of Sustainable Cleaning Products and Materials distributes one LEED point to project teams that can prove that they have purchased EcoLogo Certified products.
- Innovation in Design Credit 1.1 ("IDc1.1") offers an opportunity for New Construction, Commercial Interiors, Schools, and other new project types to earn credit for developing a green cleaning program for their new project space. This green cleaning program must specify use of EcoLogo Certified products.

This product has been reviewed by a third party. If you have any inquiries about how this product helps projects qualify for LEED credits then please contact us using the information below.
